

Roadshow to rock schools

The calendar for the 2010 Standard Bank Rocking Future Roadshow has been finalised.

The popular roadshow, which helps matric pupils make more informed choices concerning tertiary education, will visit over 30 000 matric pupils between January and May next year.

The schools on the list include Edenvale High School, Bedfordview High School and Holy Rosary School for Girls.

The roadshow has two interesting ad-

ditions for 2010, including a "10 weeks of giveaways" project with SterKinekor theatres. The project will see some lucky winners walking away with prize hampers ranging from movie merchandise to Playstation games.

The second addition to the show will be the Sport Achiever Award, where all schools visited will get to vote for a local grade 11 or 12 sportsperson who they believe gives back to the community.

The eventual winner will be selected in May and will win a visit by a famous

sports star to their school assembly.

The Standard Bank Rocking Future Roadshow features representatives from up to 20 of the country's finest universities and colleges, who help pupils understand the study options open to them.

Through face to face interaction with these institutions, grade 12 pupils can make the right career choice for themselves. The roadshow will kick off its tour in Pretoria and Cape Town on January 14, 2010.

The Standard Bank Rocking Future Roadshow is ready for 2010.
